The Dairy Story

1 billion
people strong

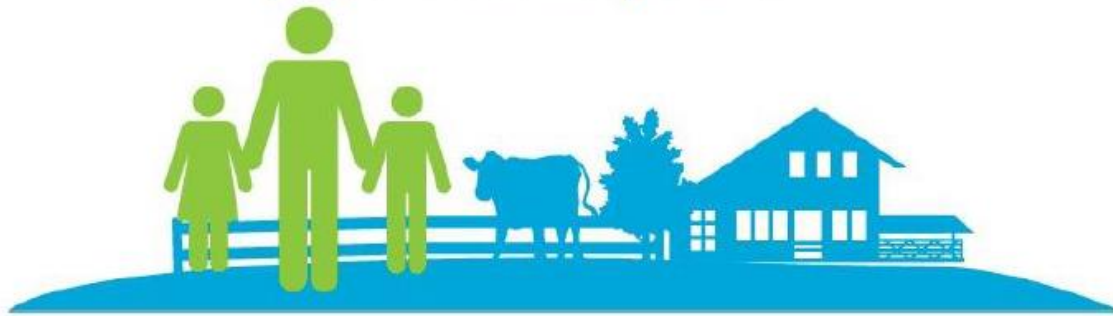

The 3rd Global Dairy Congress & Exhibition Asia 2017, Singapore

Social impact

600 million
people live on Dairy Farms

400 million
additional people are supported by the
full time jobs that are created in
support of dairy farming

Nutrition consumers trust

6 billion
consumers impacted

**Milk is one of most
produced and valuable
agricultural commodities
worldwide**

Milk ranks third by production tonnage

The 3rd Global Dairy Congress & Exhibition Asia 2017, Singapore

Supporting employment and communities

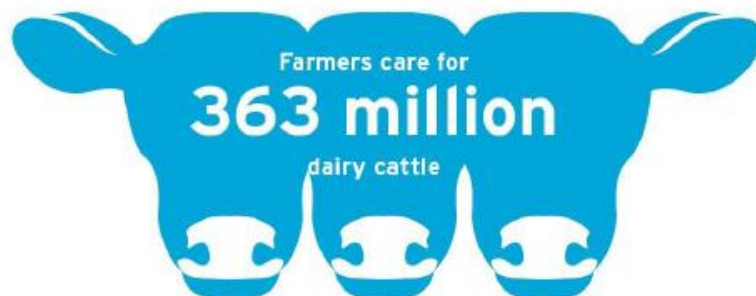

240 million
people are directly or
indirectly employed in the
dairy sector

Providing opportunity

Acting responsibly

In industrialized economies herds are often larger: the average dairy farms in the UK and the US manage **90 and 300 dairy cows** respectively

Farmers in developing countries usually keeping them in herds of **2 or 3 cows**

However, farms with more than 100 cows represent less than **0.3%** of all dairy farms globally

**MORE PEOPLE.....MORE PLACES.....
MORE MONEY.....**

Today
2 billion

2020
3.2 billion

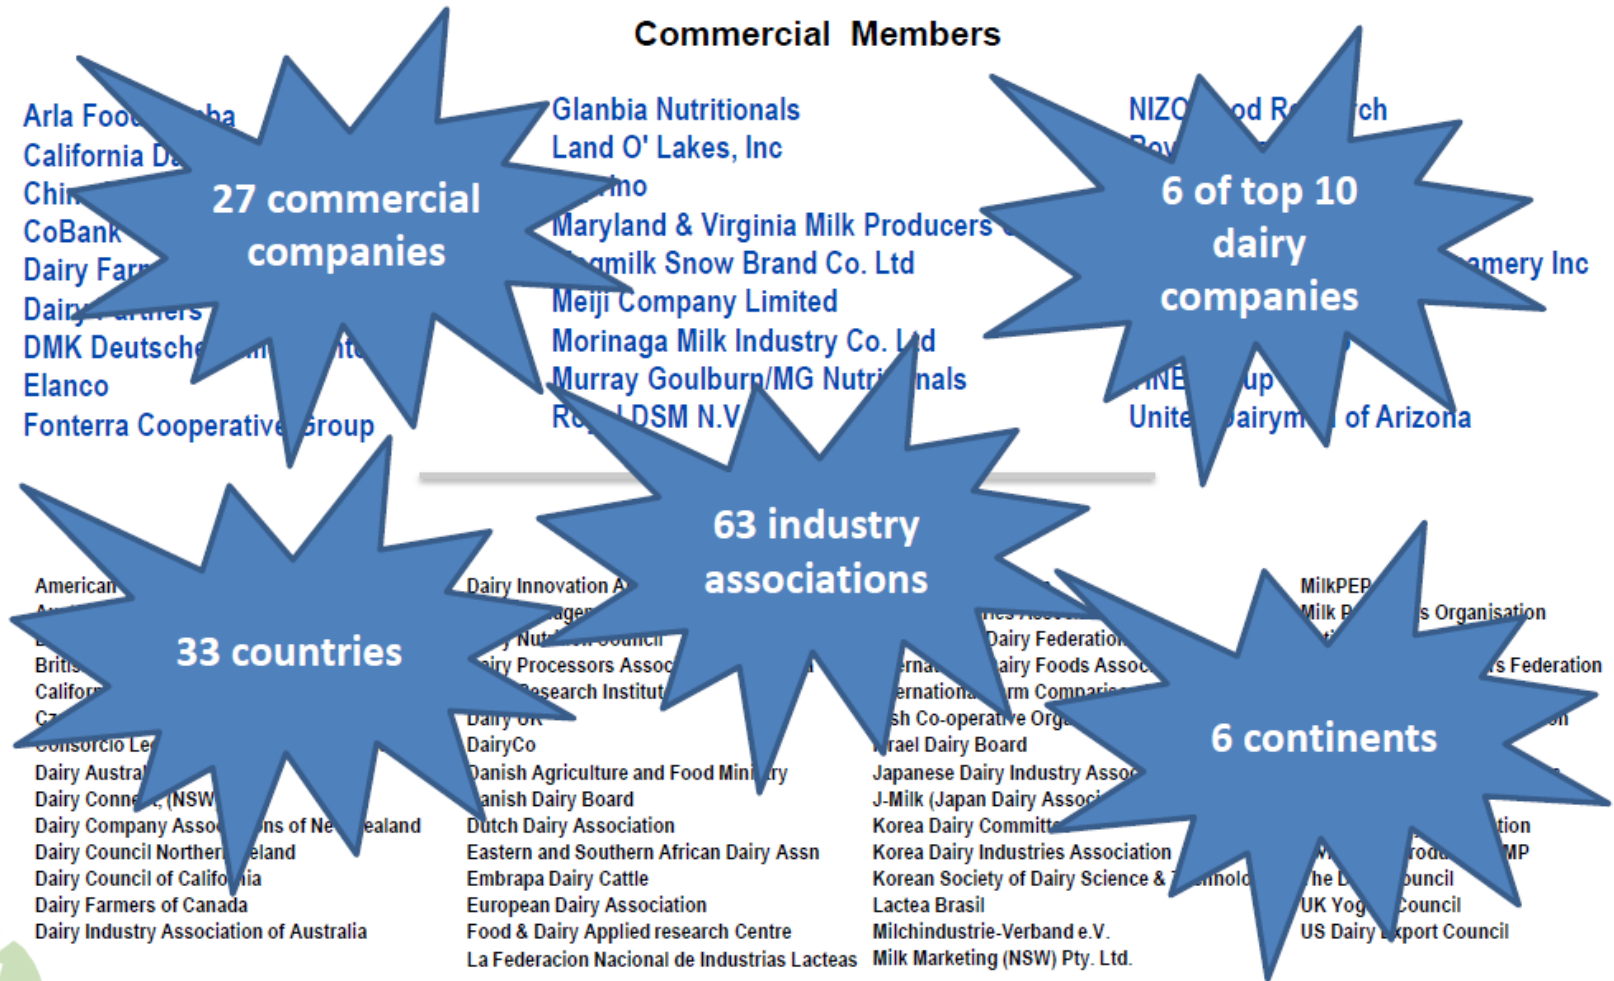

2033
4.9 billion

EVERYDAY.
AROUND THE WORLD.

GDP Members as at March 2017
