

Inviting Letter - International New Energy & Autonomous Vehicle Week 2017

With New Energy Vehicle Technology Asia 2017 and Global Autonomous Vehicle Asia 2017

邀请函-2017 国际新能源及智能汽车周

暨 2017 亚洲新能源汽车技术峰会&2017 全球自动驾驶亚洲峰会

热烈祝贺 2017 国际新能源及智能汽车周隆重召开！

Congratulations to the grand opening of International New Energy & Autonomous Vehicle Week 2017!

车辆排放和全球能源危机引起的环境问题获得世界各地广泛的关注。我国国务院发布了“2025 中国制造”计划，提出将新能源汽车作为国家重点发展领域。德英法等国宣布在未来要全面禁售汽柴油车。部分车企也开始挥别内燃机时代。与此同时，受谷歌、特斯拉和 Uber 等科技公司大力发展无人驾驶技术的影响，传统整车厂商加速了自动驾驶的步伐，国际整车巨头们纷纷开始了自己在该领域的布局。新能源汽车技术及无人驾驶技术已经成为行业内的两大热点。The aggravation of environmental problems caused by vehicle emissions and the global energy crisis are gathering more and more attention around the world. China's State Council issued *Made in China 2025*, proposing NEV as a key area of development. Germany, Britain and France have announced to ban the selling of steam diesel vehicles and some OEMs are also saying goodbye to internal combustion engine era. Meanwhile, the great progresses of technology companies like Google, Tesla, Uber, etc. have accelerated the traditional OEM's exploring paces in driverless technology. OEM giants are successively starting their layout in this field. New energy vehicle technology and autonomous vehicle technology have become the hottest topics in the whole industry.

在此背景下，2017国际新能源及智能汽车周暨2017亚洲新能源汽车技术峰会&2017全球自动驾驶亚洲峰会将于11月9-10日在北京隆重召开！2017亚洲新能源汽车技术峰会以“电气化，智能网联化和轻量化”为主旨；2017全球自动驾驶亚洲峰会以“自动驾驶路线图，标准及前沿技术”为主题。汽车周将聚首超过600位来自整车厂商、科技公司、零部件厂商的参会嘉宾及跨界专家，探讨最新技术与趋势，为行业人士搭建一个高端交流平台。

In this context, International New Energy & Autonomous Vehicle Week 2017 with New Energy Vehicle Technology Asia 2017 and Global Autonomous Vehicle Asia 2017 will be held co-locatedly on November 9-10, in Beijing, China. New Energy Vehicle Technology Asia 2017 centers on the theme of electrification, intelligent & connected, lightweight. Global Autonomous Vehicle Asia 2017 focuses on roadmap, standard and technology. The Vehicle Week will gather over 600 key experts from OEMs, technology giants, startups, T1 suppliers and cross-border stakeholders to explore new technologies and trends and to build a high-level networking platform for industry players.

我们诚挚地邀请您参加此次盛会！预祝 2017 国际新能源及智能汽车周取得圆满成功！

We sincerely welcome you to participate in this event. And we wish the International New Energy & Autonomous Vehicle Week 2017 a great success!
